PEACE FOR UKRAINE

End the conflict in Ukraine. CND condemns the Russian military aggression against Ukraine and urges the Prime Minister to get all parties to the negotiating table as real global security means a commitment to dialogue and disarmament. See and sign a new petition to the PM at www.cnduk.org.

Policy makes poverty. After Challenge Poverty Week, read how poverty is not inevitable but results from policy choices; great survey of what the UK & Scottish governments can do in work, housing, economy, health, social security etc. www.challengepoverty.org/themesandasks.

Stop Rosebank. Burning oil & gas from Rosebank will produce more CO2 than the world's 28 lowest-income countries combined and climate science is clear that the window for maintaining a liveable climate is closing. Let MSPs know you want this stopped, www.foe.scot.

LITURGY OF THE WORD 29th Sunday (C)

First Reading; Exodus 17:8 - 13
Moses lifts his arms in persistent prayer

Psalm 120

Our help is in the name of the Lord,
who made heaven and earth.

Second Reading; 2 Timothy 3: 14ff
All scripture is inspired by God

Alleluia! Alleluia! Alleluia!

Luke 18; 1-18

Will the Son of man find
any faith on the earth?

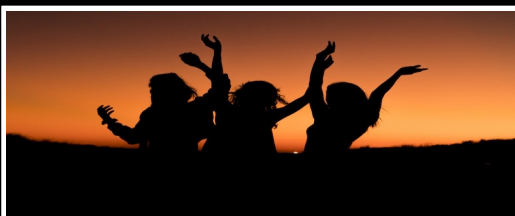

*Jesus always prayed during his life
and his disciples - us - need to be people
of prayer also. Prayer is like a magnet
that keeps us close to God. If we let the
magnet go, we drift away from God.
Keep us faithful in prayer Lord, for you
will never let us go!*
